

## Clean Water Act Section 404 Regulatory Training Course Registration

Sponsored by the Wetlands Division of USEPA's Office of Wetlands, Oceans, and Watersheds, in coordination with EPA's Region 9 Office, the Clean Water Act Section 404 Training Course will be held November 2-6, 2009 in San Francisco, California. This course provides an introductory overview of the Section 404 program and training in the application of the 404(b)(1) guidelines, as well as covering other Section 404 topics, such as the jurisdictional scope of the regulatory program, Nationwide Permits, and wetland monitoring.

There is no registration fee associated with this training. If you would like to take part in this training program\*, please fill out the information below and return to Christopher Hunter via email, [hunter.christopher@epa.gov](mailto:hunter.christopher@epa.gov) or by fax (202) 566-1349 by October 16, 2009.

\*This program is intended for EPA staff and other federal government officials involved in Clean Water Act, Section 404 activities. Priority will be given to these employees prior to the October 16 deadline. Following the deadline, registration forms from State, local and tribal officials will be accommodated in the order in which they were received.
